

# Ceramic Artworks to Raise Esteem and Employability- C.A.R.E.

The project is funded under Erasmus+ Programme, KA220-YOU - Cooperation partnerships in youth of the European Commission.

## Our main goal:

C.A.R.E provides an opportunity for young with visual impairment (V.I.P.) to unlock their potential as individuals, as artists, and as employees, through ceramic workshops and enhances their psychomotor skills, as one of the foundations for development.

## Specific Objectives:

- To enhance the psychomotor skills and self-esteem of young visually impaired people
- To increase their employability in arts and manual work
- To strengthen their positive contribution to the community and the EU art scene by improving educational centers with inclusive ceramics courses
- To engage visually impaired students and promote the development of their psychomotor skills through ceramics workshops

Co-funded by  
the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

## Expected results:

- A manual on how to start ceramic workshops
- A complimentary handbook with specific guidelines for V.I. learners
- Professional videos with the highlights from the local workshops and the transnational training events
- A manual with case studies
